Gray Davis  
Governor

January 2, 2002

Mr. David A. Caretto  
General Manager  
South Orange County Wastewater Authority  
34156 Del Obispo  
Dana Point, CA 92629

Dear Mr. Caretto:

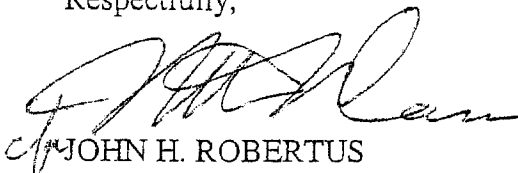

### **TENTATIVE ADDENDUM NO. 2 TO ORDER NO. 2001-08, WASTE DISCHARGE REQUIREMENTS FOR THE SOUTH ORANGE COUNTY WASTEWATER AUTHORITY, ORANGE COUNTY, DISCHARGE TO THE PACIFIC OCEAN THROUGH THE ALISO CREEK OCEAN OUTFALL**

Enclosed is Tentative Addendum No. 2 to Order No. 2001-08, which the Regional Board will consider adopting at their regularly scheduled February 13, 2002 meeting. The February 13 meeting will begin at 9:00 a.m. in the Board meeting room, California Regional Water Quality Control Board, San Diego office at the address on this letterhead.

On October 9, 2001 the Regional Board became aware that Order No. 2001-08 contained incorrect effluent limitations for TCDD equivalents. The incorrect values resulted from calculation errors in the drafting of the NPDES permit renewal. The purpose of this Addendum is to make appropriate corrections to Order No. 2001-08 consistent with effluent limitations properly derived from the State Water Resources Control Board's Water Quality Control Plan, Ocean Waters of California, 1997 (the Ocean Plan).

If you have any questions or comments, please contact Mr. Adam Laputz at (858) 467-2727, or via email at [lapua@rb9.swrcb.ca.gov](mailto:lapua@rb9.swrcb.ca.gov).

Respectfully,

  
JOHN H. ROBERTUS  
Executive Officer

enclosure: Tentative Addendum No. 2 to Order No. 2001-08
